

How Jim and Mary found their Dream Home

"First, we got pre-approved for a mortgage, so we knew exactly what we could afford."

"Second, we found a top-producing Real Estate Agent to show us homes. Our Agent notified us whenever a home came on the market that met our specifications."

"Third, we never settled for a home that wasn't exactly what we were looking for."

"Finally, when we found the right home, we quickly made a solid offer. It really helped that we were pre-approved because the seller didn't need to wonder if we would qualify for a mortgage. Our offer was accepted!"
